*Payments are made directly by student to CVCC for pre-requisite courses and general education courses within the programs.

*Payments are made directly by student to the current NCLEX Resource Learning System Centra College is using at time of enrollment.

*Centra College bills students for Textbook Bundles (includes HESI Case Studies, Clinical Skills Videos and Nursing Concepts Online for RN), not supplies or devices (purchased by student directly, not through Centra College)

**Projected Program Tuition does not include the cost of licensure examination fees for profession, required prerequisite courses, any financial aid scholarships or discount programs that student may qualify for.
